

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce Setlock
DOCKET NO.: 18-01328.001-R-1
PARCEL NO.: 14-16-100-051

The parties of record before the Property Tax Appeal Board are Bruce Setlock, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,523
IMPR.: \$121,250
TOTAL: \$155,773

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,537 square feet of living area. The dwelling was constructed in 1993. Features of the home include a partial unfinished basement, central air conditioning and garage area totaling 1,276 square feet. The property has a 61,129 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from .70 of a mile to 3.45 miles from the subject property. Appellant's comparable sales #2 and #6 were the same property. The comparables have sites ranging in size from 22,850 to 71,189 square feet of land area and are improved with two-story dwellings of wood siding or brick exterior construction ranging in size from 2,240 to 3,265 square feet of living area. The dwellings were constructed

from 1967 to 2003. The comparables have partial or full unfinished basements, central air conditioning, one or two fireplaces and garages ranging in size from 546 to 874 square feet of building area. The comparables sold from August 2016 to March 2018 for prices ranging from \$353,000 to \$492,500 or from \$134.02 to \$167.41 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$155,773. The subject's assessment reflects a market value of \$470,898 or \$185.61 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and three comparable sales located within .797 of a mile from the subject property. The comparables have sites ranging in size from 38,674 to 84,666 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,791 to 2,617 square feet of living area. The dwellings were constructed from 1978 to 1996. The comparables have partial or full basements, with two having finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 399 to 682 square feet of building area. The comparables sold from May 2016 to May 2019 for prices ranging from \$432,500 to \$485,000 or from \$179.59 to \$270.80 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds eight comparable sales were submitted by the parties in support of their respective positions. The Board gave less weight to the appellant's comparable sales and board of review comparable #3 due to their distant locations being over 1 mile away, significantly older dwellings and/or smaller dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparables #1 and #2. These comparables are similar to the subject in location, design, dwelling size and age. However, both comparables have significantly smaller lots and garages. The comparables sold in May 2016 and January 2017 for prices of \$432,500 and \$470,000 or for \$197.76 and \$179.59 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$470,898 or \$185.61 per square foot of living area, including land, falls between the prices established by the two best comparable sales in this record on a square foot basis. The subject's slightly higher overall value is justified given its larger lot and garage. After considering adjustments to the comparables for differences including lot and garage sizes when

compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
