

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Oleg Sogolov
DOCKET NO.: 18-01334.001-R-1
PARCEL NO.: 11-28-303-038

The parties of record before the Property Tax Appeal Board are Oleg Sogolov, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$80,345
IMPR.: \$194,988
TOTAL: \$275,333

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,932 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 690 square foot garage. The property has a 15,317 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .75 of a mile from the subject property. The comparables have lots ranging in size from 15,025 to 15,552 square feet of land area and are improved with two-story dwellings of brick exterior construction ranging in size from 4,001 to 4,589 square feet of living area. The dwellings were constructed from 2002 to 2006. The comparables each have an unfinished basement, central air conditioning, one to three

fireplaces and a garage ranging in size from 653 to 896 square feet of building area. The comparables sold from June 2017 to September 2018 for prices ranging from \$735,000 to \$805,000 or from \$175.42 to \$193.68 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$275,333. The subject's assessment reflects a market value of \$832,325 or \$211.68 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and four comparable sales. Board of review comparable #1 is the same property as the appellant's comparable #1. The comparables are located within approximately .65 of a mile from the subject property. The comparables have lot sizes ranging from 13,302 to 16,868 square foot of land area and are improved with two-story dwellings of brick exterior construction ranging in size from 3,686 to 4,457 square feet of living area. The dwellings were constructed from 1997 to 2016. The comparables each feature an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 640 to 896 square feet of building area. These comparables sold from June 2017 to April 2018 for prices ranging from \$730,000 to \$1,007,500 or from \$193.68 to \$241.94 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds six comparable sales were submitted by the parties in support of their respective positions, with one common comparable. The Board gave less weight to the appellant's comparable #3 and board of review comparables #3 and #4 due to their dissimilar dwelling sizes and/or ages when compared to the subject. The Board finds the best evidence of market value to be the parties' remaining comparables which includes the common comparable. These three comparables are similar to the subject in location, dwelling size, design, age and most features. The comparables sold from June 2017 to April 2018 for prices ranging from \$735,000 to \$930,000 or from \$178.61 to \$241.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$832,325 or \$211.68 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
