

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Caldwell
DOCKET NO.: 18-01445.001-R-1
PARCEL NO.: 15-24-107-006

The parties of record before the Property Tax Appeal Board are Linda Caldwell, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$61,893
IMPR.: \$127,863
TOTAL: \$189,756

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,842 square feet of living area. The dwelling was constructed in 1968. Features of the home include a full basement with finished area, central air conditioning, two fireplaces and a 462 square foot garage. The property has a 20,909 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .62 of a mile from the subject property. The comparables have lots ranging in size from 15,682 to 23,087 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,565 to 3,268 square feet of living area. The dwellings were constructed from 1967 to 1978. Comparables #1, #3 and #6 have effective ages of 1978, 1970

and 1976, respectively. The comparables each have a partial or a full basement with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 484 to 713 square feet of building area. The comparables sold from May 2017 to June 2018 for prices ranging from \$390,000 to \$582,000 or from \$152.05 to \$179.40 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,756. The subject's assessment reflects a market value of \$573,628 or \$201.84 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and seven comparable sales located within .796 of a mile from the subject. The comparables have lots ranging in size from 16,117 to 33,977 square feet of land area and are improved with a 2-story or a 1.5 story dwelling of brick or wood siding exterior construction ranging in size from 2,676 to 2,975 square feet of living area. The dwellings were constructed from 1966 to 1975. Comparable #7 has an effective age of 1968. The comparables each have a partial or a full basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 456 to 598 square feet of building area. The comparables sold from April 2017 to April 2018 for prices ranging from \$530,000 to \$630,000 or from \$182.59 to \$235.43 per square foot of living area, land included. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds 13 comparable sales were submitted by the parties in support of their respective positions. The Board gave less weight to the appellant's comparables #1, #3, #4 and #6 due to their dissimilar dwelling sizes when compared to the subject and the other comparables in the record. The board of review comparable #2 has a considerably larger land size when compared to the subject and thus, less weight was given by the Board.

The Board finds the best evidence of the subject's market value to be the remaining comparables in the record. These comparables are similar in location, design, dwelling size, age and features. The comparables sold from April 2017 to May 2018 for prices ranging from \$478,000 to \$630,000 or from \$170.65 to \$235.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$573,628 or \$201.84 per square foot of living

area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
