

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Perrin & Jake Davis
DOCKET NO.: 18-01602.001-R-1
PARCEL NO.: 16-27-306-090

The parties of record before the Property Tax Appeal Board are Perrin & Jake Davis, the appellants, by attorney Steven Kandelman, of Rieff Schramm Kanter & Guttman in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,871
IMPR.: \$136,855
TOTAL: \$204,726

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,762 square feet of living area. The dwelling was constructed in 1965 and has an effective age of 1969. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 462 square foot garage. The property has a 10,660 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within 0.60 of a mile from the subject, three of which are located on the subject's street. The comparables have sites that range in size from 9,408 to 18,291 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,542 to 3,052 square feet of living area. The homes were built from 1964 to 1966. Comparable #2 has an effective age of

1982. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 576 square feet of building area. The comparables sold from May 2017 to May 2018 for prices ranging from \$425,000 to \$545,000 or from \$148.50 to \$198.76 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$157,345.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,726. The subject's assessment reflects a market value of \$618,881 or \$224.07 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within approximately 0.46 of a mile from the subject property. The comparables have sites that range in size from 8,853 to 18,487 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 2,437 to 3,111 square feet of living area. The homes were built from 1962 to 1965. Comparables #3, #4 and #5 have effective ages ranging from 1965 to 1976. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 462 to 552 square feet of building area. The comparables sold from August 2016 to March 2018 for prices ranging from \$575,000 to \$807,500 or from \$235.95 to \$259.56 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The Board gave less weight to the appellants' comparable #4 and board of review comparables #2 and #3 due to a larger site size and/or unfinished basement when compared to the subject. The Board gave less weight to board of review comparables #4 and #5 which sold in 2016 and are dated and less likely to be indicative of the subject's fair market value as of the January 1, 2018 assessment date.

The Board finds the best evidence of market value to be appellants' comparables #1, #2 and #3 along with board of review comparable #1 which are similar to the subject in terms of location, age, design, site, dwelling size and features. These comparables sold from May 2017 to May 2018 for prices ranging from \$425,000 to \$680,000 or from \$148.50 to \$236.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$618,881 or \$224.07 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for

differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
