

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alex Merlin
DOCKET NO.: 18-01817.001-R-1
PARCEL NO.: 15-21-216-010

The parties of record before the Property Tax Appeal Board are Alex Merlin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,138
IMPR.: \$148,155
TOTAL: \$193,293

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,001 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 506 square foot garage. The property has a 10,019 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.31 of a mile from the subject property. The comparables have sites that range in size from 10,019 to 12,632 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,861 to 3,414 square feet of living area. The homes were built in 1997. Each comparable has a basement with finished area, central air conditioning and a garage

ranging in size from 483 to 748 square feet of building area. Two of the comparables each have one fireplace. The comparables sold from June 2016 to August 2018 for prices ranging from \$464,000 to \$581,000 or from \$162.18 to \$184.15 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$172,130.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,293. The subject's assessment reflects a market value of \$584,320 or \$194.71 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.28 of a mile from the subject property. The comparables have sites that range in size from 10,019 to 13,504 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,861 to 3,152 square feet of living area. The homes were built in 1996 or 1997. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 483 to 748 square feet of building area. The comparables sold from June 2017 to August 2018 for prices ranging from \$587,500 to \$692,000 or from \$195.77 to \$224.23 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to appellant's comparables #1 and #2. Comparable #1 appears to be an outlier with respect to sale price per square foot relative to other sales in the record most proximate to January 1, 2018. Comparable #2 sold in June 2016, which is dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date.

The Board finds the best evidence of market value to be appellant's comparable #3 along with the board of review comparable sales which are similar to the subject in location, age, dwelling size and most features when compared to the subject. Four of these best comparables have superior finished basement features compared to the subject's unfinished basement. These most similar comparables sold from June 2017 to August 2018 for prices ranging from \$581,000 to \$692,000 or from \$184.15 to \$224.23 per square foot of living area, including land. Board of review comparable #2 has an unfinished basement similar to the subject. This comparable sold for \$692,000 or \$219.54 per square foot of living area, land included. The subject's assessment reflects a market value of \$584,320 or \$194.71 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After

considering adjustments to the comparables for differences with the subject, especially with respect to finished basement area, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
