

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cherie Kessler
DOCKET NO.: 18-01826.001-R-1
PARCEL NO.: 16-19-301-012

The parties of record before the Property Tax Appeal Board are Cherie Kessler, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$96,109
IMPR.: \$106,638
TOTAL: \$202,747

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,539 square feet of living area. The dwelling was constructed in 1981. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 577 square foot garage. The property has a 54,450 square foot site and is located in Riverwoods, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code as the subject. The comparables are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 2,616 to 2,877 square feet of living area. The homes were built from 1977 to 1983. Each comparable has an unfinished basement, central air conditioning, one fireplace and a

garage ranging in size from 676 to 1,196 square feet of building area. Comparable #1 features an inground swimming pool. The comparables have improvement assessments ranging from \$80,329 to \$104,511 or from \$30.71 to \$36.33 per square foot of living area. Based on this evidence, the appellant requested the subject's assessment be reduced to \$87,113 or \$34.31 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,747. The subject property has an improvement assessment of \$106,638 or \$42.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 2,621 to 2,743 square feet of living area. The homes were built from 1976 to 1986. Each comparable has a basement, two with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 450 to 921 square feet of building area. The comparables have improvement assessments that range from \$115,029 to \$121,867 or from \$42.23 to \$45.99 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #1 as it has an inground swimming pool, which the subject lacks, and a larger garage size when compared to the subject. The Board gave less weight to board of review comparables #1 and #3 which have finished basements in contrast to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3 along with board of review comparables #2 and #4 which are similar to the subject in location, age, design, dwelling size and features. These comparables have improvement assessments that range from \$95,539 to \$119,824 or from \$35.89 to \$43.68 per square foot of living area. The subject's improvement assessment of \$106,638 or \$42.00 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
