

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Yellin
DOCKET NO.: 18-01838.001-R-1
PARCEL NO.: 14-17-106-031

The parties of record before the Property Tax Appeal Board are Patricia Yellin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,803
IMPR.: \$109,606
TOTAL: \$138,409

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,549 square feet of living area. The dwelling was constructed in 1981. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The subject has a 324 square foot enclosed porch. The property has a 12,310 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.14 of a mile from the subject property. The comparables have sites that range in size from 9,950 to 11,278 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,637 to 2,752 square feet of living area. The homes were built in 1976 or 1981. Each comparable has an unfinished basement, central air conditioning,

one or two fireplaces and a garage ranging in size from 462 to 548 square feet of building area. The comparables sold from June 2016 to May 2018 for prices ranging from \$347,500 to \$408,000 or from \$131.78 to \$150.22 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$121,550.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,409. The subject's assessment reflects a market value of \$418,407 or \$164.15 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparables where three of these comparables included sales data pertinent to the overvaluation basis of the appeal at issue. The three comparables are located within approximately 0.18 of a mile from the subject property. The comparables have sites that range in size from 12,401 to 16,048 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,436 to 2,482 square feet of living area. The homes were built in 1975 or 1987. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with 484 or 682 square feet of building area. The comparables sold in April 2018 for prices of \$430,000 or \$465,000 or from \$174.94 to \$190.89 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparables for the Board's consideration. Due to the absence of sales data on the board of review evidence submitted for comparables #4, #5 and #6, these properties were not considered by the Board. The Board gave less weight to the appellant's comparable #3 which sold in 2016 and is less indicative of the subject's market value as of the January 1, 2018 assessment date. The Board gave less weight to the board of review's comparable #3 which has a larger site size compared to the subject. The Board finds the best evidence of market value to be appellant's comparables #1 and #2 along with board of review comparables #1 and #2 which are similar to the subject in location, site, dwelling size, age, design and features. These comparables sold from June 2017 to May 2018 for prices ranging from \$405,000 to \$465,000 or from \$147.17 to \$187.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$418,407 or \$164.15 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
