

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lindsey Eres
DOCKET NO.: 18-01858.001-R-1
PARCEL NO.: 16-34-310-012

The parties of record before the Property Tax Appeal Board are Lindsey Eres, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,569
IMPR.: \$140,399
TOTAL: \$197,968

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,842 square feet of living area. The dwelling was constructed in 1963. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 484 square foot garage. The property has a 12,297 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.20 of a mile from the subject property. The comparables have sites that range in size from 12,776 to 16,502 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 2,441 to 2,730 square feet of living area. The homes were built in 1963 or 1964. Each comparable has a basement with finished area, central air conditioning, one or two

fireplaces and a garage with 462 or 484 square feet of building area. The comparables sold from December 2016 to April 2018 for prices ranging from \$365,000 to \$454,900 or from \$147.95 to \$186.36 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$152,991.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,968. The subject's assessment reflects a market value of \$598,452 or \$210.57 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards on the subject and four comparable sales located within 0.21 of a mile from the subject property. The comparables have sites that range in size from 12,168 to 16,958 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 2,467 to 2,738 square feet of living area. The homes were built in 1963 or 1964. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 441 to 484 square feet of building area. The comparables sold from July 2016 to August 2017 for prices ranging from \$500,000 to \$590,000 or from \$200.83 to \$239.16 per square foot of living area, land included.

The board of review also submitted a Multiple Listing Service (MLS) sheet and PTAX-203 Illinois Real Estate Transfer Declaration associated with a July 2019 sale of the subject property. The MLS sheet includes a sale price of \$611,000 for the subject and comments that assert the property was "completely renovated." The subject's property record card also indicated permits totaling \$90,687 for remodeling were issued in 2010 and 2012. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds this burden of proof was not met and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #3 and board of review comparables #2 and #3 which sold in 2016, too remote in time to be indicative of market value for a January 1, 2018 assessment date. The Board finds the best evidence of market value to be appellant comparables #1 and #2 along with board of review comparables #1 and #4 which are similar to the subject in terms of location, age, design, site and most features. These comparables sold from March 2017 to April 2018 for prices ranging from \$365,000 to \$590,000 or from \$147.95 or \$239.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$598,452 or \$210.57 per square foot of living area, including land, which is above the overall value range and within the price per square foot range established by the best comparable sales in this record, but

justified when considering the subject's larger dwelling size and renovations. After considering adjustments to the comparables for differences with the subject, the Board finds a preponderance of the evidence supports the subject's assessment and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
