

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judy Lavin
DOCKET NO.: 18-01859.001-R-1
PARCEL NO.: 16-25-109-016

The parties of record before the Property Tax Appeal Board are Judy Lavin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$156,463
IMPR.: \$276,132
TOTAL: \$432,595

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.0-story dwelling of brick exterior construction with 5,265 square feet of living area. The dwelling was constructed in 1942. Features of the home include an unfinished basement, central air conditioning, four fireplaces and a 547 square foot garage. The property has a 21,974 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.55 of a mile from the subject property. The comparables have sites that range in size from 19,200 to 46,998 square feet of land area and are improved with a 2.5-story and two, 2.0-story dwellings of brick or wood siding exterior construction that range in size from 4,240 to 5,618 square feet of living area. The homes were built from 1920 to 1937. Each comparable has a basement with finished area,

central air conditioning, one or two fireplaces and one or two garages ranging in size from 374 to 806 square feet of building area. The comparables sold from July 2016 to June 2018 for prices ranging from \$950,000 to \$1,050,000 or from \$186.90 to \$229.95 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$369,023.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$432,595. The subject's assessment reflects a market value of \$1,307,724 or \$248.38 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards on the subject and four comparable sales located within approximately 0.98 of a mile from the subject property. The comparables have sites that range in size from 16,811 to 37,370 square feet of land area and are improved with a 3.0-story and three, 2.0-story dwellings of brick, stucco, stone or wood siding exterior construction that range in size from 4,257 to 5,695 square feet of living area. The homes were built from 1885 to 1951. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 440 to 759 square feet of building area. The comparables sold from April 2016 to August 2018 for prices ranging from \$1,150,000 to \$1,912,500 or from \$251.97 to \$449.26 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #3 and board of review comparables #2 and #4 which sold in 2016, too remote in time to be reflective of the subject's market value as of the January 1, 2018 assessment date. The Board finds the best evidence of market value to be appellant's comparables #1 and #2 along with board of review comparables #1 and #3. These comparables are generally similar to the subject in terms of location, age, site size and features. However, each of these comparables differ from the subject in having a superior finished basement compared to the subject's unfinished basement. Three of these comparables have smaller dwelling sizes compared to the subject. These four comparables sold from June 2017 to August 2018 for prices ranging from \$950,000 to \$1,613,964 or from \$213.96 to \$283.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,307,724 or \$248.38 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for

differences with the subject with respect to finished basements and smaller dwelling size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
