

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Peel
DOCKET NO.: 18-01872.001-R-1
PARCEL NO.: 11-02-401-023

The parties of record before the Property Tax Appeal Board are Thomas Peel, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,952
IMPR.: \$164,581
TOTAL: \$229,533

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,180 square feet of living area. The dwelling was constructed in 1996. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 504 square foot garage. The property has a 23,609 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.35 of a mile from the subject property. The comparables have sites that range in size from 22,309 to 33,900 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 2,940 to 3,172 square feet of living area. The homes were built in 1995 or 1996. Each comparable has an unfinished basement, central air conditioning, one fireplace and a

garage with 483 or 525 square feet of building area. Comparable #3 has a 671 square foot inground swimming pool. The comparables sold from March 2016 to October 2017 for prices ranging from \$550,000 to \$605,000 or from \$184.01 to \$199.83 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$203,014.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$229,533. The subject's assessment reflects a market value of \$693,872 or \$218.20 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.38 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #2. The comparables have sites that range in size from 22,309 to 28,537 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 2,940 to 3,198 square feet of living area. The homes were built from 1995 to 1999. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 483 to 686 square feet of building area. The comparables sold from July 2016 to June 2018 for prices ranging from \$587,500 to \$720,000 or from \$199.83 to \$227.06 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparables for the Board's consideration, where one comparable is common to both parties. The Board gave less weight to appellant's comparables #1 and #3 along with board of review comparable #3 which sold in 2016 and is dated and less likely to be indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board finds the best evidence of market value to be appellant's comparable #2/board of review comparable #4 as well as board of review comparables #1 and #2 which are more similar to the subject in terms of location, age, design, size and most features. These most similar comparables sold from May 2017 to June 2018 for prices ranging from \$587,500 to \$720,000 or from \$199.83 to \$227.06 per square foot of living area, including land. The subject's assessment reflects a market value of \$693,872 or \$218.20 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
