

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harvey Kantor  
DOCKET NO.: 18-01894.001-R-1  
PARCEL NO.: 15-14-206-006

The parties of record before the Property Tax Appeal Board are Harvey Kantor, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$77,567  
**IMPR.:** \$161,460  
**TOTAL:** \$239,027

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,265 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 593 square foot garage. The property has a 23,049 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.53 of a mile from the subject. The comparables have sites that range in size from 24,580 to 44,050 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,299 to 3,674 square feet of building area. The homes were built from 1979 to 1991. Each comparable has a basement with finished area, central air conditioning, one

or two fireplaces and a garage ranging in size from 441 to 825 square feet of building area. The comparables sold from April 2016 to May 2018 for prices ranging from \$679,000 to \$743,000 or from \$202.23 to \$205.82 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$221,483.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$239,027. The subject's assessment reflects a market value of \$722,573 or \$221.31 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.44 of a mile from the subject property. The comparables have sites that range in size from 22,537 to 26,113 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,299 to 3,360 square feet of living area. The homes were built from 1979 to 1988. Each comparable has a basement with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 529 to 780 square feet of building area. The comparables sold from May 2016 to September 2017 for prices ranging from \$745,000 to \$778,000 or from \$225.35 to \$233.91 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #2 along with board of review comparables #2, #3 and #4 which sold in 2016 and are less indicative of the subject's market value as of the January 1, 2018 assessment date. The Board finds the best evidence of market value to be appellant's comparable #3 and board of review comparable #1 which sold more proximate to the assessment date at issue in this appeal and are similar to the subject in terms of location, age, dwelling size and most features. These two comparables sold for \$743,000 and \$778,000 or for \$202.23 and \$231.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$722,573 or \$221.31 per square foot of living area, including land, which is supported by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
