

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce and Barbara Kukowski
DOCKET NO.: 18-01912.001-R-1
PARCEL NO.: 14-31-302-009

The parties of record before the Property Tax Appeal Board are Bruce and Barbara Kukowski, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,702
IMPR.: \$161,965
TOTAL: \$230,667

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,321 square feet of living area. The dwelling was constructed in 1967. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 484 square foot garage. The property has a 28,105 square foot site and is located in Barrington, Ela Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within 0.57 of a mile from the subject property. The comparables have sites that range in size from 21,383 to 21,883 square feet of land area and are improved with two-story dwellings of brick exterior construction that range in size from 3,444 to 3,564 square feet of living area. The homes were built from 1966 to 1969. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 550 square feet of building area. The

comparables sold from May 2017 to April 2018 for prices ranging from \$510,000 to \$645,000 or from \$147.06 to \$180.98 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$182,655.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,667. The subject's assessment reflects a market value of \$697,300 or \$209.97 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on seven comparable sales located within approximately 0.43 of a mile from the subject property. The comparables have sites that range in size from 18,100 to 38,415 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,030 to 3,704 square feet of living area. The homes were built from 1967 to 1972. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 780 square feet of building area. The comparables sold from March 2016 to August 2018 for prices ranging from \$660,000 to \$860,000 or from \$205.92 to \$267.41 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparables for the Board's consideration. The Board gave less weight to board of review comparable sales #1 and #7 which occurred in March or June 2016 and are dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board gave less weight to board of review comparables #2 and #3 due to differences in dwelling size as compared to the subject. The Board finds the best evidence of market value to be appellants' comparable sales along with board of review comparables #4, #5 and #6 which are similar to the subject in terms of location, age, design, dwelling size and most features. These comparables sold from April 2017 to August 2018 for prices ranging from \$510,000 to \$740,000 or from \$147.06 to \$217.39 per square foot of living area, including land. The subject's assessment reflects a market value of \$697,300 or \$209.97 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
