

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fred and Dorothy Koenig
DOCKET NO.: 18-01914.001-R-1
PARCEL NO.: 14-32-405-004

The parties of record before the Property Tax Appeal Board are Fred and Dorothy Koenig, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,175
IMPR.: \$145,967
TOTAL: \$181,142

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,840 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 672 square foot garage. The property has a 32,573 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within 0.80 of a mile from the subject property. The comparables have sites that range in size from 22,645 to 47,108 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,573 to 3,252 square feet of living area. The homes were built in 1987 or 1989. Each comparable has a basement, one with finished area¹, central air conditioning, one

fireplace and a garage ranging in size from 609 to 825 square feet of building area. The comparables sold from May 2016 to November 2017 for prices ranging from \$395,000 to \$470,000 or from \$138.98 to \$153.52 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's assessment be reduced to \$137,907.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,142. The subject's assessment reflects a market value of \$547,588 or \$192.81 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards for the subject and six comparable sales located within 1.99 miles from the subject property. The comparables have sites that range in size from 40,578 to 60,735 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,715 to 2,894 square feet of living area. The homes were built from 1985 to 1990. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 506 to 794 square feet of building area. The comparables sold from May 2017 to June 2018 for prices ranging from \$540,000 to \$630,000 or from \$193.73 to \$221.21 square feet of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The Board gave less weight to the appellants' comparable #2 which has a significantly larger dwelling size compared to the subject. The Board gave less weight to the appellants' comparable #3 which sold in May 2016, which is dated and less indicative of the fair market value as of the subject's January 1, 2018 assessment date. The Board gave little weight to the board of review comparables #1, #3 and #4 which are located more than one mile from the subject property. The Board finds the best evidence of market value to be the appellants' comparable #1 along with board of review comparables #2, #5 and #6 which are similar to the subject in location, age, dwelling size, design and most features. These comparables sold from May 2017 to June 2018 for prices ranging from \$395,000 to \$627,500 or from \$153.52 to \$216.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$547,588 or \$192.81 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
