

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sanjiv & Seema Gilani
DOCKET NO.: 18-01926.001-R-1
PARCEL NO.: 14-12-104-001

The parties of record before the Property Tax Appeal Board are Sanjiv & Seema Gilani, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,675
IMPR.: \$193,186
TOTAL: \$242,861

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.0-story dwelling of brick exterior construction with 3,795 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a 713 square foot garage. The property has a 39,427 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.42 of a mile from the subject property. The comparables have sites that range in size from 40,511 to 65,876 square feet of land area and are improved with 2.0-story dwellings of brick or wood siding exterior construction that range in size from 4,030 to 4,169 square feet of living area. The homes were built from 1999 to 2003. Each comparable has an unfinished basement, central air conditioning,

one fireplace and a garage ranging in size from 635 to 972 square foot of building area. The comparables sold in April 2016 or February 2018 for prices ranging from \$555,000 to \$730,000 or from \$137.72 to \$180.65 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$199,988.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$242,861. The subject's assessment reflects a market value of \$734,163 or \$193.46 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within approximately 0.84 of a mile from the subject property. The comparables have sites that range in size from 10,509 to 40,075 square feet of land area and are improved with a 1.5-story or two, 2.0-story dwellings of brick or wood siding exterior construction that range in size from 3,084 to 4,352 square feet of living area. The homes were built from 1997 to 2004. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 564 to 682 square feet of building area. The comparables sold from September 2017 to July 2018 for prices ranging from \$610,000 to \$829,000 or from \$190.49 to \$206.02 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #2 and #3 which sold in 2016 and are dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board gave less weight to the board of review comparable #2 which differs from the subject in design and has a significantly smaller site and dwelling size compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #1 and board of review comparables #1 and #3 which are more similar to the subject in location, age, design and most features. These comparables sold from February to July 2018 for prices ranging from \$555,000 to \$829,000 or from \$137.72 to \$206.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$734,163 or \$193.46 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
