

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donato Agostinelli
DOCKET NO.: 18-01929.001-R-1
PARCEL NO.: 16-15-304-034

The parties of record before the Property Tax Appeal Board are Donato Agostinelli, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$89,413
IMPR.: \$58,481
TOTAL: \$147,894

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,069 square feet of living area. The dwelling was constructed in 1956. Features of the home include central air conditioning, a fireplace and a 506 square foot garage. The property has a 31,217 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.95 of a mile from the subject property. The comparables have sites that range in size from 15,900 to 19,644 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,951 to 2,130 square feet of living area. The homes were built from 1951 to 1959. Two of the comparables have basements, one of which has finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size

from 231 to 552 square feet of building area. The comparables sold from April 2017 to June 2018 for prices ranging from \$352,500 to \$375,000 or from \$169.01 to \$192.21 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$122,339.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$147,894. The subject's assessment reflects a market value of \$447,080 or \$216.08 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review a grid analysis and property record cards on the subject and four comparable sales located within approximately 0.91 of a mile from the subject property. The comparables have sites that range in size from 11,372 to 20,469 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,832 to 2,183 square feet of living area. The homes were built from 1954 to 1957. Each comparable has a basement with finished area, central air conditioning, three comparables each have one fireplace, and each has a garage ranging in size from 345 to 484 square feet of building area. The comparables sold from August 2017 to May 2018 for prices ranging from \$435,000 to \$575,000 or from \$237.45 to \$265.44 per square foot of living area, land included. The property record card for comparable #4 disclosed the property had been gutted and rehabbed in 2017/2018. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The comparables have varying degrees of similarity to the subject. The Board gave less weight to board of review comparable #4 which was reported in the property record card to have been gutted and rehabbed in 2018 suggesting an updated condition while the subject's property record card does not indicate similar updating. The Board finds the best evidence of market value to be the remaining comparables. These comparables are similar in location, age, design and most features. Each of these comparables has a smaller site size when compared to the subject and five have basements, four of which have finished area which differs from the subject's lack of a basement. These comparables sold from April 2017 to June 2018 for prices ranging from \$352,500 to \$520,000 or from \$169.01 to \$265.44 per square foot of living area, including land. The subject's assessment reflects a market value of \$447,080 or \$216.08 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the subject for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
