

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Kramer
DOCKET NO.: 18-01935.001-R-1
PARCEL NO.: 16-36-302-040

The parties of record before the Property Tax Appeal Board are Andrew Kramer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$85,478
IMPR.: \$205,491
TOTAL: \$290,969

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,822 square feet of living area. The dwelling was constructed in 1964 with an effective age of 1974. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 462 square foot garage. The property has a 15,440 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant through counsel contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three suggested equity comparables located in the same neighborhood and within 0.14 of a mile from the subject property. The comparables were improved with two-story dwellings of brick exterior construction that range in size from 3,694 to 4,424 square feet of

living area. The dwellings were built in 1964 and 1966.¹ Each comparable has a basement in which two have finished area, central air conditioning, one fireplace and a garage ranging in size from 470 to 661 square feet of building area. The comparables have improvement assessments that range from \$141,839 to \$172,364 or from \$37.55 to \$40.16 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$186,627 or \$38.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$290,969. The subject property has an improvement assessment of \$205,491 or \$42.62 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted property record cards and a grid analysis on six suggested equity comparables located in the same neighborhood and within 0.582 of a mile from the subject property. The comparables were improved with two-story dwellings of brick, wood siding or stone exterior construction ranging in size from 4,657 to 5,243 square feet of living area. The dwellings were built from 1959 to 1969.² Each comparable has a basement in which four have finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 484 to 1,014 square feet of building area. The comparables have improvement assessments that range from \$200,827 to \$257,429 or from \$42.05 to \$51.24 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The board gave less weight to the appellant's comparable #1 along with the board of review comparables #2 and #5. These comparables lack a finished basement when compared to the subject. The Board gave less weight to the appellant's comparables #2 and #3 based on their smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1, #3, #4 and #6. These comparables are similar when compared to the subject in location, design, dwelling size, age and features. These comparables had improvement assessments that

¹ Appellant's comparable #1 has an effective age of 1969 and comparable #2 has an effective age of 1967.

² Board of review's comparable #1 has an effective age of 1974, comparable #3 has an effective age of 1971, comparable #4 has an effective age of 1975, comparable #5 has an effective age of 1979 and comparable #6 has an effective age of 1968.

ranged from \$200,827 to \$257,429 or from \$42.05 to \$51.24 per square foot of living area. The subject's improvement assessment of \$205,491 or \$42.62 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
