

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Raye  
DOCKET NO.: 18-01947.001-R-1  
PARCEL NO.: 16-07-406-007

The parties of record before the Property Tax Appeal Board are David Raye, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$160,974  
**IMPR.:** \$245,254  
**TOTAL:** \$406,228

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2.0-story dwelling of brick exterior construction with 5,058 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, three fireplaces and a 960 square foot garage. The property has a 61,420 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.31 of a mile from the subject property. The comparables have sites that range in size from 60,113 to 64,469 square feet of land area and are improved with a 1.75-story and two, 2.0-story dwellings of brick or wood siding exterior construction that range in size from 4,718 to 6,035 square feet of living area. The homes were built in 1988 or 1991. Each comparable has a basement, one with

finished area, central air conditioning, two or three fireplaces and one or two garages ranging in size from 300 to 1,236 square feet of building area. Comparable #2 features a 747 square foot inground swimming pool. The comparables sold from January 2016 to October 2018 for prices ranging from \$1,000,000 to \$1,225,000 or from \$202.98 to \$216.24 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$354,717.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$406,228. The subject's assessment reflects a market value of \$1,228,017 or \$242.79 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a grid analysis and property record cards on the subject and four comparable sales located within 0.37 of a mile from the subject property. Board of review comparable #1 is the same sale as the appellant's comparable #2. The comparables have sites that range in size from 54,014 to 67,082 square feet of land area and are improved with 2.0-story dwellings of brick or wood siding exterior construction that range in size from 4,718 to 5,698 square feet of living area. The homes were built from 1986 to 1989. Each comparable has a basement, three with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 848 to 1,025 square feet of building area. Comparables #1 and #3 each have an inground swimming pool. The comparables sold from July 2017 to October 2018 for prices ranging from \$1,000,000 to \$1,780,000 or from \$211.95 to \$312.90 per square feet of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to appellant comparable #1 which sold in January 2016 and is dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board gave less weight to appellant comparable #3 and board of review comparable #3 due to their significantly larger dwelling sizes when compared to the subject.

The Board finds the three remaining comparables to be the best evidence of market value as they are more similar to the subject in terms of location, age, design, site size, dwelling size and features. These most similar comparables sold from July 2017 to October 2018 for prices ranging from \$1,000,000 to \$1,455,325 or from \$211.95 to \$299.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,228,017 or \$242.79

per square foot of living area, including land, which is supported by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
