

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ayoub Youshaei
DOCKET NO.: 18-01968.001-R-1
PARCEL NO.: 16-16-308-027

The parties of record before the Property Tax Appeal Board are Ayoub Youshaei, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$121,181
IMPR.: \$150,522
TOTAL: \$271,703

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,083 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full basement with finished area, central air conditioning, a fireplace and an 850 square foot garage. No site size was disclosed for the subject property, which is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.30 of a mile from the subject property. The comparables are improved with two-story dwellings of brick exterior construction that range in size from 3,489 to 4,655 square feet of living area. The homes were built from 1993 to 1996. The comparables have basements, two with finished area; central air conditioning; a fireplace and attached garage that range in size from 506 to 828 square feet of

building area. The comparables sold from July 2017 to March 2018 for prices that range from \$530,000 to \$860,000 or from \$151.91 to \$189.60 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$238,746.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$286,638. The subject's assessment reflects a market value of \$866,499 or \$212.22 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review argued the Property Tax Appeal Board's issued decision pertaining to the subject property for the prior 2015 tax year under Docket Number 15-02565.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$294,089. The board of review argued the subject's 2017 assessment reflects the Property Tax Appeal Board's 2015 decision plus application of the 2016 and 2017 equalization factors of 1.0643 and 1.0393, respectively, as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that section 16-185 of the Property Tax Code (35 ILCS 200/16-185) is not applicable to this appeal as the subject residence is not owner occupied. Therefore, no weight is given to the board of review argument related to Docket Number 15-02565.001-R-1 in which the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$294,089 based on an agreement by the parties.

The Board finds the only evidence of market value was presented by the appellant. The comparable sales presented by the appellant have varying degrees of similarity to the subject and sold for prices ranging from \$533,000 to \$862,000 or from \$151.91 to 189.60 per square foot of living area, land included. The subject's assessment reflects a market value of \$866,499 or \$212.22 per square foot of living area, land included which is above the range established by comparable sales, therefore, the Board finds a reduction is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
