

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Allen Pritikin  
DOCKET NO.: 18-01998.001-R-1  
PARCEL NO.: 13-11-400-338

The parties of record before the Property Tax Appeal Board are Allen Pritikin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,222  
**IMPR.:** \$110,432  
**TOTAL:** \$127,654

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story single-family condominium unit of wood siding exterior construction with 1,754 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 396 square foot garage. The property is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.99 of a mile from the subject property. The comparables are improved with 1.5-story single-family condominium units of wood siding exterior construction that have 1,754 or 1,796 square feet of living area. The homes were built in 1995 or 1996. Each comparable has a basement with finished area, central air conditioning, two fireplaces and a garage with 396 or 398 square feet of building area.

The homes sold from September 2015 to May 2017 for prices ranging from \$238,500 to \$352,500 or from \$132.80 to \$200.97 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$95,269.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$127,654. The subject's assessment reflects a market value of \$385,895 or \$220.00 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.97 of a mile from the subject property. The comparables are improved with a 2.0-story and three, 1.5-story single-family condominium units that have either 1,754 or 1,777 square feet of living area. The homes were built from 1992 to 1994. Each comparable has a basement with finished area, central air conditioning, two fireplaces and a garage with either 396 or 420 square feet of building area. The comparables sold from January 2016 to September 2018 for prices ranging from \$360,000 to \$462,500 or from \$205.25 to \$260.27 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board gave less weight to appellant comparables #2 and #3, along with board of review comparable #2, which sold in 2015 or 2016 and are dated and less indicative of fair market value as of the subject's January 1, 2018 assessment date. The Board gave reduced weight to board of review comparable #1 which differs from the subject in design.

The Board finds the best evidence of market value to be appellant's comparable #1 and board of review comparables #3 and #4 which are more similar to the subject in terms of location, age, design, dwelling size and features. These comparables sold from May 2017 to June 2018 for prices ranging from \$272,000 to \$443,000 or from \$155.07 to \$252.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$385,895 or \$220.00 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
