

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Periyakaruppan Ramanathan
DOCKET NO.: 18-02012.001-R-1
PARCEL NO.: 11-28-410-028

The parties of record before the Property Tax Appeal Board are Periyakaruppan Ramanathan, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,791
IMPR.: \$162,449
TOTAL: \$205,240

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,666 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning and a 579 square foot garage. The property has an 8,060 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located from .04 to .12 of a mile from the subject property and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of wood siding exterior construction containing either 3,221 to 3,810 square feet of living area. The dwellings were built in 2004 and 2005. Each comparable features an unfinished basement,

central air conditioning and a garage ranging in size from 557 to 762 square feet of building area. Comparable #3 has one fireplace. The comparables have improvement assessments ranging from \$106,114 to \$128,761 or from \$27.85 to \$39.98 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$123,250 or \$33.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,240. The subject property has an improvement assessment of \$162,449 or \$44.31 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located from .035 to .108 of a mile from the subject property and within the same assessment neighborhood as the subject. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 3,483 to 3,670 square feet of living area. The dwellings were built in 2004 and 2005. Each comparable features an unfinished basement, central air conditioning and a garage ranging in size from 568 to 760 square feet of building area. Two of the comparables each have one fireplace. The comparables have improvement assessments ranging from \$156,603 to \$167,991 or from \$44.50 to \$45.77 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested equity comparables for the Board's consideration. The Board finds all of the comparables are relatively similar to the subject in location, dwelling size, design, age and features. The comparables have improvement assessments ranging from \$106,114 to \$167,991 or from \$27.85 to \$45.77 per square foot of living area. The subject property has an improvement assessment of \$162,449 or \$44.31 per square foot of living area, which falls within the range established by the best comparables in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the evidence demonstrates the subject's improvement assessment is justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
