

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Gehrig  
DOCKET NO.: 18-02016.001-R-1  
PARCEL NO.: 16-36-124-025

The parties of record before the Property Tax Appeal Board are Jeffrey Gehrig, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,860  
**IMPR.:** \$108,131  
**TOTAL:** \$162,991

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,050 square feet of living area. The dwelling was constructed in 1949 with an effective age of 1960. Features of the home include an unfinished basement, a fireplace and a detached 240 square foot garage. The property has a 5,255 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant through counsel contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three suggested equity comparables located in the same neighborhood and within 0.55 of a mile from the subject property. The comparables were improved with two-story dwellings of brick or wood siding exterior construction that range in size from 1,856 to 2,144 square feet of living area. The dwellings were built from 1924 to 1927. Each comparable has an

unfinished basement, one fireplace and a detached garage ranging in size from 228 to 528 square feet of building area. The comparables have improvement assessments that range from \$61,001 to \$68,491 or from \$31.95 to \$35.61 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$68,531 or \$33.43 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$162,991. The subject property has an improvement assessment of \$108,131 or \$52.75 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted property record cards and a grid analysis on six suggested equity comparables located in the same neighborhood and within 0.64 of a mile from the subject property. The comparables were improved with two-story dwellings of brick and wood siding exterior construction ranging in size from 1,944 to 2,084 square feet of living area. The dwellings were built from 1926 to 1950. Each comparable has a basement with four comparables having finished area, central air conditioning, a fireplace and a garage ranging in size from 240 to 528 square feet of building area. The comparables have improvement assessments that range from \$105,722 to \$122,166 or from \$53.72 to \$60.24 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The board gave less weight to the appellant's comparables along with the board of review comparables #2 and #3 due to their considerably older age when compared to the subject. The Board gave less weight to the board of review comparables #1 and #6 based on their finished basement when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #4 and #5. These comparables are similar when compared to the subject in location, dwelling size, age and some features. These comparables had improvement assessments of \$115,431 and \$105,722 or \$57.66 and \$53.72 per square foot of living area, respectively. The subject's improvement assessment of \$108,131 or \$52.75 per square foot of living area falls between the total improvement assessments and under on a per square foot basis of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
