

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerry Goldman
DOCKET NO.: 18-02017.001-R-1
PARCEL NO.: 16-31-203-008

The parties of record before the Property Tax Appeal Board are Jerry Goldman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,189
IMPR.: \$133,291
TOTAL: \$199,480

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,000 square feet of living area. The dwelling was constructed in 1973. Features of the home include a basement, central air conditioning, a fireplace and a 420 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant through counsel contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in the same neighborhood code and within .31 of a mile from the subject property. The land sizes were not disclosed. The comparables were improved with two-story dwellings of brick or wood siding exterior construction that ranged in size from 2,604 to 2,809 square feet of living area. The dwellings were constructed in 1966 to 1973. Each comparable has a basement, central air conditioning, one fireplace and a garage ranging in size from 460 to 528 square feet of building

area. The comparables sold from May 2017 to June 2018 for prices of \$410,000 or \$507,500 or from \$147.22 to \$180.67 per square foot of living area, land included. Based on this evidence, the appellant requested that the assessment be reduced to \$161,779 or an approximate market value of \$485,386 or \$161.80 per square foot of living area, land included, based on the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,480. The subject's assessment reflects a market value of \$603,023 or \$201.01 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted property record cards and information on four comparable sales with comparable #1 being the appellant's comparable #3. The comparables are located in the same neighborhood code and within .391 of a mile from the subject property. The land sizes were not disclosed. The comparables were improved with two-story dwellings of brick or wood siding exterior construction that ranged in size from 2,614 to 3,052 square feet of living area. The dwellings were built from 1965 to 1971. Each comparable has a basement with two comparables having finished area, central air conditioning, one fireplace and a garage ranging in size from 440 to 528 square feet of building area. The comparables sold from February to June 2018 for prices ranging from \$507,500 to \$670,000 or from \$180.67 to \$242.92 per square foot of living area, land included. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration with one comparable being shared. The Board gave less weight to the appellant's comparable #2 due to its smaller dwelling size when compared to the subject. The Board gave less weight to the board of review's comparables #2 and #4 based on their finished basements when compared to the subject's lack of a finished basement.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #3/board of review comparable #1 along with board of review comparable sale #3. These sales are similar when compared to the subject in location, age, dwelling size and features. These most similar comparables sold for prices ranging from \$410,000 to \$655,250 or from \$147.22 to \$219.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$603,023 or \$201.01 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's

estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
