

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Francis Liedtke
DOCKET NO.: 18-02026.001-R-1
PARCEL NO.: 14-32-205-004

The parties of record before the Property Tax Appeal Board are Francis Liedtke, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,637
IMPR.: \$197,675
TOTAL: \$240,312

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,446 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 924 square foot garage. The property has a 44,486 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.81 of a mile from the subject. The comparables have sites that range in size from 38,521 to 46,510 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction and range in size from 3,673 to 4,322 square feet of living area. The homes were built from 1987 to 1994. Each comparable has an unfinished basement, central air conditioning, one or

three fireplaces and a garage ranging in size from 414 to 1,020 square feet of building area. The comparables sold from November 2016 to May 2018 for prices ranging from \$525,000 to \$664,000 or from \$142.93 to \$153.63 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$217,162.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$240,312. The subject's assessment reflects a market value of \$726,457 or \$163.40 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within approximately 0.92 of a mile from the subject property. The comparables have sites that range in size from 35,812 to 69,482 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,731 to 4,729 square feet of living area. The homes were built from 1983 to 1996. Each comparable has a basement, three with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 682 to 1,054 square feet of building area.¹ The comparables sold from April 2017 to September 2018 for prices ranging from \$705,000 to \$1,015,000 or from \$179.27 to \$214.63 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #1 and board of review comparable #6 which have smaller dwelling sizes compared to the subject. Additionally, appellant's comparable #1 sold in November 2016 which is dated and less likely to be reflective of the fair market value of the subject as of a January 1, 2018 assessment date. The Board gave less weight to board of review comparable #2 which has a larger site size when compared to the subject. The Board also gave less weight to board of review comparables #3, #4 and #5 which have finished basements dissimilar to the subject's unfinished basement.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3 along with board of review comparable #1 which are similar to the subject in location, age, design, site size and most features. These comparables sold from June 2017 to May 2018 for prices ranging from \$560,000 to \$820,000 or from \$143.04 to \$179.27 per square foot of living

area, including land. The subject's assessment reflects a market value of \$726,457 or \$163.40 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a preponderance of the evidence supports the subject's assessment and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
