

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joel Kogen
DOCKET NO.: 18-02028.001-R-1
PARCEL NO.: 16-32-411-132

The parties of record before the Property Tax Appeal Board are Joel Kogen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$60,948
IMPR.: \$202,722
TOTAL: \$263,670

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,894 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 504 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant, through counsel, contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,620 to 4,298 square feet of living area. The homes were built from 1992 to 1998. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 546 to 836 square feet of

building area. The comparables had improvement assessments ranging from \$171,242 to \$196,514 or from \$43.38 to \$47.30 per square foot of living area. Based on this evidence, the appellant requested the subject's assessment be reduced to \$178,552 or \$45.85 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$263,670. The subject property has an improvement assessment of \$202,722 or \$52.06 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located in the same neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 3,085 to 3,891 square feet of living area. The homes were built from 1992 to 1999. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 462 to 810 square feet of building area. Comparable #4 also features an inground swimming pool and bathhouse. The comparables had improvement assessments ranging from \$130,816 to \$206,010 or from \$42.40 to \$54.87 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #3 which has a finished basement dissimilar to the subject's unfinished basement. The Board gave less weight to board of review comparable #4 which features an inground swimming pool and bathhouse absent in the subject's improvements. The Board also gave less weight to board of review comparable #5 due to a smaller dwelling size compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 along with board of review comparables #1, #2 and #3 which are similar to the subject in location, age, design, dwelling size and most features. These comparables had improvement assessments that ranged from \$186,427 to \$206,010 or from \$43.38 to \$54.73 per square foot of living area. The subject's improvement assessment of \$202,722 or \$52.06 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the comparables for differences with the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
