

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tod & Jodi Gordon  
DOCKET NO.: 18-02221.001-R-1  
PARCEL NO.: 16-20-404-026

The parties of record before the Property Tax Appeal Board are Tod & Jodi Gordon, the appellants, by attorney Sreeram Natarajan of Natarajan Worstell LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,305  
**IMPR.:** \$148,431  
**TOTAL:** \$213,736

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,152 square feet of living area. The dwelling was constructed in 1967. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on five equity comparables located within the same assessment neighborhood as the subject and from .07 to .27 of a mile from the subject property. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 2,851 to 3,761 square feet of living area. The dwellings were built from 1966 to 1970. Each comparable has a basement with two having finished area, central air conditioning, one fireplace and a garage ranging in size from 525 to 552

square feet of building area. The comparables have improvement assessments that range from \$96,970 to \$145,857 or from \$34.01 to \$41.77 per square foot of living area. Based on this evidence, the appellants requested a reduction in the subject's improvement assessment to \$118,673 or \$37.65 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,736. The subject property has an improvement assessment of \$148,431 or \$47.09 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood as the subject and from .079 to .123 of a mile from the subject property. The comparables consist of a two-story dwellings of brick exterior construction ranging in size from 3,137 to 3,172 square feet of living area. The dwellings were each built in 1968. Each comparable features a basement with three having finished area, central air conditioning, one fireplace and a garage ranging in size from 420 to 858 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments that range from \$147,844 to \$156,995 or from \$46.89 to \$49.49 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gave less weight to the appellants' comparables which differ from the subject in dwelling size and/or lack a finished basement. The Board gave less weight to board of review comparable #1 as it lacks a finished basement and has an inground swimming pool unlike the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2, #3 and #4. These comparables are similar to the subject in dwelling size, design, age and features. The comparables have improvement assessments that range from \$147,844 to \$151,403 or from \$46.89 to \$48.26 per square foot of living area. The subject's improvement assessment of \$148,431 or \$47.09 per square foot of living area falls within the range established by the best comparables in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the evidence demonstrates the subject's improvement assessment is justified. Based on this record the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
