

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bradley Schawel
DOCKET NO.: 18-02293.001-R-1
PARCEL NO.: 15-07-211-004

The parties of record before the Property Tax Appeal Board are Bradley Schawel, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,375
IMPR.: \$104,968
TOTAL: \$135,343

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,663 square feet of living area. The dwelling was constructed in 1991. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 420 square foot garage. The property has a 12,019 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located from .10 to .43 of a mile from the subject property. The comparables have sites that range in size from 7,524 to 12,025 square feet of land area. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,396 to 2,643 square of feet of living area. The dwellings were built from 1990 to 1993. Each comparable features a basement with finished area, central

air conditioning and a garage ranging in size from 420 to 497 square feet of building area. Two comparables each have one fireplace. The comparables sold from June 2016 to April 2018 for prices ranging from \$320,000 to \$355,000 or from \$124.47 to \$134.32 per square foot of living area, including land. Based on this evidence, the appellant requested the subject's assessment be reduced to \$116,092 reflecting a market value of approximately \$348,311 or \$130.80 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,343. The subject's assessment reflects a market value of \$409,138 or \$153.64 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located from .161 to .563 of a mile from the subject property. The comparables have sites that range in size from 7,524 to 13,008 square feet of land area. The comparables consist of two-story dwellings of wood siding exterior construction with 2,643 or 2,677 square feet of living area. The dwellings were built in 1990 and 1991. Each comparable features a basement with finished area, central air conditioning, one fireplace and a garage containing 420 or 497 square feet of building area. The comparables sold from June 2017 to May 2018 for prices ranging from \$405,000 to \$430,000 or from \$153.23 to \$162.69 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable #2 as its sale occurred in 2016 which is dated and less likely to be indicative of the subject's market value as of the January 1, 2018 assessment date.

The Board finds the best evidence of market value to be the remaining six comparable sales in the record. These comparables are relatively similar to the subject in location, dwelling size, design, age and features. They sold from April 2017 to May 2018 for prices ranging from \$320,000 to \$430,000 or from \$133.56 to \$162.69. The subject's assessment reflects a market value of \$409,138 or \$153.64 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
