

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Skoby
DOCKET NO.: 18-02316.001-R-1
PARCEL NO.: 14-22-304-013

The parties of record before the Property Tax Appeal Board are Thomas Skoby, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,955
IMPR.: \$93,974
TOTAL: \$122,929

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,052 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 420 square foot garage. The property has a 11,698 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.40 of a mile from the subject property. The comparables have sites that range in size from 10,050 to 10,470 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,250 to 2,320 square feet of living area. The homes were built from 1990 to 1992. Each comparable has an unfinished basement, central air conditioning, one

fireplace and a garage ranging in size from 400 to 462 square feet of building area. The comparables sold from March 2017 to June 2018 for prices ranging from \$375,000 to \$409,000 or from \$163.61 to \$180.00 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$109,429.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$122,929. The subject's assessment reflects a market value of \$371,611 or \$181.10 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.43 of a mile from the subject property. The comparables have sites that range in size from 10,978 to 13,337 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that each have 2,052 square feet of living area. The homes were built in 1989 or 1991. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with 420 square feet of building area. The comparables sold from May 2017 to August 2018 for prices ranging from \$360,000 to \$449,900 or from \$175.44 to \$219.25 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board finds the best comparables were submitted by the board of review as these properties are practically identical to the subject in all respects. These comparables sold from May 2017 to August 2018 for prices ranging from \$360,000 to \$449,900 or from \$175.44 to \$219.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$371,611 or \$181.10 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. The Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
