

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eda Taskiran  
DOCKET NO.: 18-02328.001-R-1  
PARCEL NO.: 15-18-204-012

The parties of record before the Property Tax Appeal Board are Eda Taskiran, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$49,147  
**IMPR.:** \$171,590  
**TOTAL:** \$220,737

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 3,528 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 625 square foot garage. The property has a 43,561 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 2.59 miles from the subject property. The comparables have sites that range in size from 40,075 to 99,317 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 3,168 to 3,735 square feet of living area. The homes were built from 1959 to 1988 with the oldest home having a reported effective age of 1980. Each

comparable has a basement with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 748 to 1,036 square feet of building area. The comparables sold from March to August 2017 for prices ranging from \$545,000 to \$632,500 or from \$159.30 to \$198.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$201,076.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$220,737. The subject's assessment reflects a market value of \$667,282 or \$189.14 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 1.15 miles from the subject property. The comparables range in size from 10,164 to 43,996 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 3,124 to 3,606 square feet of living area. The homes were built from 1986 to 1996. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 605 to 881 square feet of building area. The comparables sold from August 2016 to April 2017 for prices ranging from \$570,000 to \$660,000 or for \$165.07 to \$206.47 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the appellant's comparables #1, #2 and #4 along with board of review comparable #4 which have dissimilar site sizes compared to the subject and/or are located greater than one mile from the subject property.

The Board finds neither of the parties' comparables are particularly similar to the subject. Nonetheless, the board shall decide based on the evidence, regardless of the quality of the evidence. The Board finds the best evidence of market value to be appellant's comparable #3/board of review comparable #1 along with board of review comparables #2 and #3 which are similar to the subject in location, design and age. These comparables sold from August 2016 to March 2017 for prices ranging from \$593,000 to \$660,000 or for \$183.03 to \$206.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$667,282 or \$189.14 per square foot of living area, including land, which falls just above the overall market value range and within the per square foot price range established by the best comparable sales in this record. The subject's larger basement and basement finished area appear to support

the slightly higher assessment and associated market value compared to the best comparables in the record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
