

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ranga Srinivasan  
DOCKET NO.: 18-02345.001-R-1  
PARCEL NO.: 15-20-303-003

The parties of record before the Property Tax Appeal Board are Ranga Srinivasan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$35,320  
**IMPR.:** \$160,790  
**TOTAL:** \$196,110

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,332 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 660 square foot garage. The property has a 19,166 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.27 of a mile from the subject property. The comparables have sites that range in size from 13,503 to 18,731 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,108 to 3,647 square feet of living area. The homes were built from 1995 to 2000. Each comparable has a basement, four with finished area, central air conditioning, one or

two fireplaces and a garage ranging in size from 639 to 682 square feet of building area. The comparables sold from April 2017 to June 2018 for prices ranging from \$545,000 to \$618,000 or from \$149.44 to \$181.93 per square foot of living area, land included. The appellant also submitted Multiple Listing Service (MLS) sheets on comparables #1, #3 and #5. Based on this evidence, the appellant requested the subject's assessment be reduced to \$177,688.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,110. The subject's assessment reflects a market value of \$592,836 or \$177.92 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.24 of a mile from the subject property. Board of review comparables #2 and #4 were also submitted by the appellant as comparables #6 and #4, respectively. The comparables have sites that range in size from 15,246 to 18,731 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 3,108 to 3,590 square feet of living area. The homes were built in 1995. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 639 to 682 square feet of building area. The comparables sold from April 2017 to June 2018 for prices ranging from \$550,000 to \$655,000 or for \$176.96 to \$186.70 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparables for the Board's consideration as two of the comparables were common to both parties. The Board gave less weight to the appellant's comparables #2, #3 and #5 which have an unfinished basement or a smaller site size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #4/board of review comparable #4 and #6/board of review comparable #2 along with board of review comparable sales #1 and #3 which are similar to the subject in terms of location, age, design, dwelling size and features. These five comparables sold from April 2017 to June 2018 for prices ranging from \$545,000 to \$655,000 or for \$149.44 to \$186.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$592,836 or \$177.92 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
