

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marianne To
DOCKET NO.: 18-02350.001-R-1
PARCEL NO.: 15-21-403-009

The parties of record before the Property Tax Appeal Board are Marianne To, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,099
IMPR.: \$146,550
TOTAL: \$180,649

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of wood siding exterior construction with 3,243 square feet of living area. The dwelling was built in 1997. Features of the home include an unfinished basement, central air conditioning, one fireplace and a two-car attached garage with 506 square feet of building area. The property has a 10,890 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales improved with two-story dwellings with wood siding exteriors that range in size from 2,861 to 3,757 square feet of living area. The dwellings were built in 1997 or 2000. Each comparable has a basement with three being partially finished, central air conditioning, one fireplace and an attached garage ranging in size from 483 to 693 square feet of building area. These properties have sites ranging in size from

10,019 to 17,860 square feet of land area and are located within .33 miles of the subject property. The sales occurred from November 2017 to May 2018 for prices ranging from \$464,000 to \$615,000 or from \$152.77 to \$163.69 per square foot of living area, land included. The appellant requested the subject's assessment be reduced to \$157,811.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$180,649. The subject's assessment reflects a market value of \$546,097 or \$168.39 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales improved with two-story dwellings with wood siding exteriors ranging in size from 2,988 to 3,155 square feet of living area. The homes were built in 1996 and 1997. Each comparable has a basement with three having finished area, central air conditioning, one or two fireplaces and an attached garage ranging in size from 690 to 748 square feet of building area. The comparables have sites ranging in size from 10,019 to 13,504 square feet of land area and are located within approximately .47 miles from the subject property. The sales occurred from June 2017 to August 2018 for prices ranging from \$581,000 to \$692,000 or from \$184.15 to \$219.54 per square foot of living area, including land. The board of review requested the assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight sales submitted by the parties to support their respective positions. The Board gives most weight to the comparables submitted by the board of review based on the fact these dwellings are more similar to the subject dwelling in size than are the comparables provided by the appellant. These comparables are also like the subject in location, exterior construction, and features with the exception three have finished basement area and each has a larger garage than the subject, which suggest downward adjustments would be needed to make these comparables more equivalent to the subject property. The board of review comparables sold for prices ranging from \$581,000 to \$692,000 or from \$184.15 to \$219.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$546,097 or \$168.39 per square foot of living area, including land, which is below the range established by the best comparable sales in this record but supported based on the differing features. Less weight was given the appellant's comparables due to differences from the subject in dwelling size. Based on this evidence the Board finds the assessment of the subject property as established by the board of review is correct and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
