

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Pizzolao
DOCKET NO.: 18-02410.001-R-1
PARCEL NO.: 13-23-202-011

The parties of record before the Property Tax Appeal Board are John Pizzolao, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,808
IMPR.: \$70,671
TOTAL: \$101,479

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,607 square feet of living area. The dwelling was constructed in 1957. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 616 square foot garage. The property has a 40,249 square foot site and is located in North Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.35 miles from the subject property. The comparables have sites that range in size from 40,843 to 374,180 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,488 to 1,792 square feet of living area. The homes were built from 1951 to 1960. Each comparable has a basement with finished area, central air

conditioning, one or two fireplaces and a garage ranging in size from 449 to 829 square feet of building area. Comparable #3 also features an enclosed porch with 1,058 square feet of area. The comparables sold from August to December 2016 for prices ranging from \$228,900 to \$485,000 or from \$153.83 to \$270.65 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$77,664.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$101,479. The subject's assessment reflects a market value of \$306,768 or \$190.90 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within approximately 1.35 miles from the subject property. Board of review comparable #3 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 33,358 to 374,180 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,542 to 1,792 square feet of living area. Each comparable has a basement with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 440 to 829 square feet of building area. The comparables sold from August 2016 to August 2018 for prices ranging from \$409,250 to \$500,000 or from \$265.40 to \$290.02 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the appellant's comparables #1 and #3/board of review #3 along with board of review comparable #1 which differ from the subject in their larger site sizes.

The Board finds the best evidence of market value to be the appellant's comparable #2 and board of review comparable #2 which are similar to the subject in location, site size, design, age and most features with the appellant's comparable #2 having a slightly older sale date. These two comparables sold in December 2016 and August 2018 for prices of \$270,000 and \$409,250 or \$153.85 and \$265.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$306,768 or \$190.90 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
