

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shreekkanth Viswanathan
DOCKET NO.: 18-02472.001-R-1
PARCEL NO.: 15-24-105-004

The parties of record before the Property Tax Appeal Board are Shreekkanth Viswanathan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,477
IMPR.: \$105,121
TOTAL: \$176,598

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,676 square feet of living area. The dwelling was constructed in 1969. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 506 square foot garage. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.74 of a mile from the subject property. The comparables have sites that range in size from 20,038 to 33,977 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,472 to 2,812 square feet of living area. The homes were built from 1966 to 1978. Each comparable has a basement, five with finished area, central air

conditioning, one or two fireplaces and a garage ranging in size from 484 to 713 square feet of building area. Comparable #5 has two garages each with 506 square feet of building area. The comparables sold from March 2017 to June 2018 for prices ranging from \$390,000 to \$530,000 or from \$152.05 to \$188.48 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$153,408.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,598. The subject's assessment reflects a market value of \$533,851 or \$199.50 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.44 of a mile from the subject property. The comparables have sites that range in size from 17,860 to 20,038 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,604 to 2,676 square feet of living area. The homes were built from 1966 to 1970. Each comparable has a basement, three with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 506 to 598 square feet of building area. The comparables sold from April 2017 to October 2018 for prices ranging from \$530,000 to \$630,000 or from \$199.85 to \$235.43 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #2 for an unfinished basement or dissimilar site size compared to the subject's site and finished basement. The Board gave less weight to the appellant's comparable #5 which has two garages compared to the subject's single garage. The Board gave less weight to board of review comparable #3 which also has an unfinished basement compared to the subject's finished basement.

The Board finds the best evidence of market value to be the appellant's comparables #3, #4 and #6, along with board of review comparables #1, #2 and #4, which are similar to the subject in location, age, design, dwelling size and features. These most similar comparables sold from March 2017 to October 2018 for prices ranging from \$478,000 to \$630,000 or from \$170.65 to \$235.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$533,851 or \$199.50 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Board of review comparable #2 is considered the most similar comparable to the subject and sold for \$530,000 or \$199.85 per

square foot, land included. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
