

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anne Ryan
DOCKET NO.: 18-02474.001-R-1
PARCEL NO.: 15-24-108-008

The parties of record before the Property Tax Appeal Board are Anne Ryan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,372
IMPR.: \$103,001
TOTAL: \$171,373

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,610 square feet of living area. The dwelling was constructed in 1971. Features of the home include a 288 square foot unfinished basement, central air conditioning, a fireplace and a 506 square foot garage. The property has a 20,909 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.81 of a mile from the subject property. The comparables range in size from 19,602 to 23,087 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,472 to 3,087 square feet of living area. The homes were built from 1966 to 1978. Each comparable has a basement ranging in size from 572 to 1,421 square feet of area

with five having finished area. Each comparable has central air conditioning, one or two fireplaces and one or two garages ranging in size from 484 to 713 square feet of building area. Comparable #3 has two garages each with 506 square feet of building area. The comparables sold from July 2016 to May 2018 for prices ranging from \$445,000 to \$561,000 or from \$170.65 to \$184.87 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$163,543.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$171,373. The subject's assessment reflects a market value of \$518,056 or \$198.49 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.57 of a mile from the subject property. The comparables have sites that range in size from 17,860 to 20,038 square feet of land area and are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,604 to 2,676 square feet of living area. The homes were built from 1966 to 1970. Each comparable has a basement ranging in size from 572 to 1,319 square feet of area with three having finished area. Each comparable has central air conditioning, one or two fireplace and a garage ranging in size from 506 to 598 square feet of building area. The comparables sold from April 2017 to October 2018 for prices ranging from \$530,000 to \$630,000 or from \$199.85 to \$235.43 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparables for the Board's consideration. The Board gave less weight all of the comparables with finished basements.

The Board finds the best evidence of market value to be appellant's comparable #5 along with board of review comparable #3 which are similar to the subject in location, age, design, dwelling size and most features. These two comparables sold in December and April 2017 for prices of \$560,000 and \$550,000 or for \$183.43 and \$210.33 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$518,056 or \$198.49 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record on a square foot basis. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
