

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eva Vastag
DOCKET NO.: 18-02477.001-R-1
PARCEL NO.: 15-24-206-033

The parties of record before the Property Tax Appeal Board are Eva Vastag, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,085
IMPR.: \$121,228
TOTAL: \$197,313

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of brick exterior construction with 2,930 square feet of living area. The dwelling was constructed in 1974. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 456 square foot garage. The property has a 21,780 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.06 miles from the subject property. The comparables have sites that range in size from 16,117 to 20,473 square feet of land area and are improved with a 2.0-story dwelling and four, 1.5-story dwellings of brick or wood siding exterior construction that range in size from 2,441 to 3,554 square feet of living area. The homes were built from 1957 to 1975. One comparable has a crawl space

foundation and four comparables have a basement with finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 456 to 605 square feet of building area. The comparables sold from June 2017 to June 2018 for prices ranging from \$347,500 to \$650,000 or from \$142.36 to \$204.60 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$185,548.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,313. The subject's assessment reflects a market value of \$596,472 or \$203.57 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.26 of a mile from the subject property. Board of review comparables #1, #2 and #4 are the same properties as the appellant's comparables #5, #2 and #4, respectively. The comparables have sites that range in size from 16,117 to 20,473 square feet of land area and are improved with a 2.0-story dwelling and three, 1.5-story dwellings of brick or wood siding exterior construction that have either 2,930 or 2,935 square feet of living area. The homes were built from 1971 to 1975. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage with 456 or 550 square feet of building area. The comparables sold from April to October 2017 for prices ranging from \$535,000 to \$610,000 or from \$182.59 to \$208.19 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparables for the Board's consideration as three comparables were common to both parties. The Board gave less weight to the appellant's comparable #1 which is dissimilar to the subject in age, basement construction and dwelling size. The Board gave less weight to the appellant's comparable #3 which has a dissimilar design and dwelling size compared to the subject. Likewise, the Board gave less weight to board of review comparable #3 which differs from the subject in design.

The Board finds the best evidence of market value to be the three common comparables which are similar to the subject in location, age, design, dwelling size and features. These most similar comparables sold from June to October 2017 for prices ranging from \$535,000 to \$600,500 or from \$182.59 to \$204.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$596,472 or \$203.57 per square foot of living area, including land,

which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
