

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael McCall
DOCKET NO.: 18-02478.001-R-1
PARCEL NO.: 15-24-305-010

The parties of record before the Property Tax Appeal Board are Michael McCall, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$72,215
IMPR.: \$92,893
TOTAL: \$165,108

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 2,783 square feet of living area. The dwelling was constructed in 1976. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 604 square foot garage. The property has a 21,344 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 1.49 miles from the subject property. The comparables have sites that range in size from 19,602 to 42,689 square feet of land area and are improved with 1.5-story dwellings of brick or wood siding exterior construction that range in size from 2,441 to 3,465 square feet of living area. The homes were built from 1957 to 1978. One comparable has a crawl space foundation while five comparables

have a basement, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 420 to 605 square feet of building area. The comparables sold from July 2017 to June 2018 for prices ranging from \$347,500 to \$615,000 or from \$130.09 to \$182.59 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$165,108.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$188,298. The subject's assessment reflects a market value of \$569,220 or \$204.53 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.20 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #1. The comparables have sites that each have 20,038 square feet of land area and are improved with a 1.5-story and three, 2.0-story dwellings of brick exterior construction that range in size from 2,730 to 3,022 square feet of living area. The homes were built from 1972 to 1976. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 462 to 552 square feet of building area. The comparables sold in May or August 2017 for prices ranging from \$505,000 to \$661,000 or from \$167.11 to \$238.37 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains nine comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the appellant's comparables #2 and #3 due to dissimilar dwelling sizes compared to the subject. The Board gave less weight to appellant's comparables #4 and #5 for a larger site size, distance beyond one mile from the subject, dissimilar age and/or crawl space foundation compared to the subject's basement construction. The Board also gave less weight to board of review comparables #1, #2 and #3 which differ from the subject in design.

The Board finds the best evidence of market value to be the appellant's comparable #1/board of review comparable #4 and appellant's comparable #6 which are similar to the subject in location, age, design, dwelling size and most features. These two comparables sold in August and September 2017 for prices of \$505,000 and \$535,000 or for \$167.11 and \$182.59 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$569,221 or \$204.53 per square foot of living area, including land, which falls above the values

of the two best comparables in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment commensurate with the request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
