

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Nading
DOCKET NO.: 18-02509.001-R-1
PARCEL NO.: 14-06-301-080

The parties of record before the Property Tax Appeal Board are Thomas Nading, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,543
IMPR.: \$206,117
TOTAL: \$245,660

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.0-story dwelling of brick exterior construction with 4,467 square feet of living area. The dwelling was constructed in 1990. Features of the home include an unfinished basement, central air conditioning, two fireplaces and an 864 square foot garage. The property has a 34,328 square foot site and is located in North Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 1.42 miles from the subject property. The comparables have sites that range in size from 26,153 to 65,415 square feet of land area and are improved with a 1.5-story and five, 2.0-story dwellings of brick or wood siding exterior construction that range in size from 3,737 to 5,125 square feet of living area. The homes were built from 1978 to 2000. Each comparable has a basement, four with finished area,

central air conditioning, two to four fireplaces and a garage ranging in size from 905 to 1,276 square feet of building area. The comparables sold from May 2017 to April 2018 for prices ranging from \$620,000 to \$900,000 or from \$141.24 to \$179.64 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$209,928.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$245,660. The subject's assessment reflects a market value of \$742,624 or \$166.25 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 1.36 miles from the subject property. Board of review comparables #1 through #4 are the same properties as the appellant's comparables #5, #4, #3 and #6, respectively. The comparables have sites that range in size from 26,153 to 65,415 square feet of land area and are improved with a 1.5-story and three, 2.0-story dwellings of brick or wood siding exterior construction that range in size from 3,737 to 5,010 square feet of living area. The homes were built from 1978 to 2000. Each comparable has a basement, three with finished area, central air conditioning, two to four fireplaces and a garage ranging in size from 905 to 961 square feet of building area. The comparables sold from May to September 2017 for prices ranging from \$620,000 to \$900,000 or from \$160.20 to \$179.64 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparables for the Board's consideration as four of the comparables were common to both parties. The Board gave less weight to the appellant's comparables #2, #4/board of review #2 and #5/board of review #1 which are dissimilar in design, dwelling and/or site size when compared to the subject.

The Board finds the best evidence of market value to be the remaining three comparables which are similar to the subject in site size, dwelling size, age, design and features. These comparables sold from May 2017 to April 2018 for prices ranging from \$640,000 to \$900,000 or from \$141.24 to \$179.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$742,624 or \$166.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
