

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ladan Mahmoodian  
DOCKET NO.: 18-02786.001-R-1  
PARCEL NO.: 15-08-114-024

The parties of record before the Property Tax Appeal Board are Ladan Mahmoodian, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$33,907  
**IMPR.:** \$99,250  
**TOTAL:** \$133,157

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,474 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement with finished area, central air conditioning and a 484 square foot garage. The property has a 12,867 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.53 of a mile from the subject property. The comparables have sites that range in size from 11,878 to 12,867 square feet of land area and are improved with a two-story dwelling of wood siding exterior construction that have either 2,396 or 2,611 square feet of living area. The homes were built from 1989 to 1993. Each comparable has a basement, five with finished area, central air

conditioning and a garage with 420 or 448 square feet of building area. Four of the comparables have either one or two fireplaces. The comparables sold from June 2017 to May 2018 for prices ranging from \$344,500 to \$410,000 or from \$141.71 to \$157.03 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$125,337.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,157. The subject's assessment reflects a market value of \$402,530 or \$162.70 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.58 of a mile from the subject property. The comparables have sites that range in size from 13,574 to 15,554 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,474 to 2,677 square feet of living area. The homes were built from 1989 to 1993. Each comparable has a basement, three with finished area, central air conditioning and a garage with either 420 or 484 square feet of building area. Three comparables each have one fireplace. The comparables sold from May 2016 to August 2018 for prices ranging from \$405,000 to \$434,000 or from \$162.12 to \$171.79 per square foot of living area, land included. The board of review noted that their comparables #1 and #2 are the same model as the subject. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #6 and board of review comparable #3 due to their unfinished basements when compared to the subject's finished basement. The Board gave less weight to the board of review comparable #2 which sold in May 2016 and is less likely to be indicative of the subject's fair market value as of the January 1, 2018 assessment date.

The Board finds the best evidence of market value to be appellant's comparable sales #1 through #5 along with board of review comparables #1 and #4 which are similar to the subject in location, age, design, dwelling size and features. These comparables sold from June 2017 to May 2018 for prices ranging from \$344,500 to \$434,000 or from \$141.71 to \$163.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$402,530 or \$162.70 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for

differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
