

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Zinsmeister
DOCKET NO.: 18-02948.001-R-1
PARCEL NO.: 21-14-01-105-004-0000

The parties of record before the Property Tax Appeal Board are John Zinsmeister, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,020
IMPR.: \$20,000
TOTAL: \$26,020

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,092 square feet of living area. The dwelling was constructed in 1954. Features of the home include a concrete slab foundation, central air conditioning and a 440 square foot garage. The property has a 7,821 square foot site and is located in Park Forest, Monee Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a "2018 Property Tax Analysis (Sales)" of eight comparable sales located within .47 of a mile from the subject property. Neither the name nor professional credentials of the person(s) who prepared the analysis was disclosed. The comparables are comprised of one-story dwellings that contain 1,092 square feet of living area. The appellant did not disclose the exterior construction of the dwellings or the site sizes of the comparables. The dwellings were built from 1954 to 1957. The comparables each have a concrete slab foundation, six comparables have central air conditioning and each comparable has a garage ranging in size from

352 to 484 square feet of building area. The comparables sold from March 2017 to July 2018 for prices ranging from \$12,000 to \$50,501 or from \$10.99 to \$46.25 per square foot of living area, land included. Based on this evidence, the appellant requests a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,020. The subject's assessment reflects a market value of \$78,115 or \$71.53 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Will County of 33.31% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood as the subject property. The comparables are comprised of one-story dwellings of frame exterior construction that were built from 1954 to 1957. Each comparable has a concrete slab foundation, two comparables have central air conditioning and each comparable has a garage ranging in size from 308 to 440 square feet of building area. The dwellings each contain 1,092 square feet of living area and are situated on sites ranging in size from 7,111 to 8,666 square feet of land area. The comparables sold from May 2018 to June 2019 for prices ranging from \$75,000 to \$93,900 or from \$68.68 to \$85.99 per square foot of living area land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Under rebuttal, the appellant's attorney argued that the board of review comparable sales #1 and #3 which sold in 2019 are too remote to establish market value as of January 1, 2018 and comparables #1 and #4 are acceptable sales with comparable #4 supporting a reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 12 comparable sales for the Board's consideration. The Board gave little weight to the board of review comparables #1 and #3 as these sales occurred in May and June 2019, which occurred 17 and 18 months after the subject's January 1, 2018 assessment date and are less likely to be indicative of fair market value.

The Board finds the best evidence of market value to be appellant's comparable sales along with the board of review comparable sales #2 and #4. These comparables were identical to the subject in dwelling size and similar in location, age, and some features. These most similar comparables sold for prices ranging from \$12,000 to \$89,900 or from \$10.99 to \$82.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$78,115 or \$71.53 per square foot of living area, including land, which falls within the range

established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
