

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jxe Investments, LLC
DOCKET NO.: 18-02996.001-R-1
PARCEL NO.: 21-14-02-213-010-0000

The parties of record before the Property Tax Appeal Board are Jxe Investments, LLC, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,020
IMPR.: \$19,133
TOTAL: \$25,153

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of frame construction with 1,092 square feet of living area. The dwelling was constructed in 1954. Features of the home include a concrete slab foundation and a 320 square foot garage. The property has a 7,341 square foot site and is located in Park Forest, Monee Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales located within .71 of a mile from the subject. The comparables were constructed in 1954 and 1956 and improved with one-story dwellings each containing 1,092 square feet of living area. Each comparable has a concrete slab foundation and a garage ranging in size from 240 to 484 square feet of building area. Five comparables have central air conditioning. The sales occurred from March 2017 to February 2018 for prices ranging from \$12,000 to \$35,000 or from \$10.99 to \$32.05 per square foot of

living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,153. The subject's assessment reflects a market value of \$75,512 or \$69.15 per square foot of living area, land included, when using the 2018 three-year average median level of assessment for Will County of 33.31% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review submitted a statement from the Monee Township Assessor along with additional data. The assessor contends the appellant's comparable sales #7 and #8 are special warranty deed and Bank REO (real estate owned). The board of review submitted a copy of the PTAX-203 Illinois Real Estate Transfer Declaration associated with each sale that disclosed each comparable was advertised for sale.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales identified by the township assessor and are located within the same neighborhood as the subject. The comparables are improved with one-story dwellings of frame construction each with 1,092 square feet of living area. The dwellings were built from 1954 to 1957. Each property has a concrete slab foundation and a garage that ranges in size from 308 to 440 square feet of building area. Two comparables have central air conditioning. These properties have sites that range in size from 7,111 to 8,666 square feet of land area. The sales occurred from May 2018 to June 2019 for prices ranging from \$75,000 to \$93,900 or from \$68.68 to \$85.99 per square foot of living area. Based on this evidence, the board of review requested no change to the subject's assessment.

In rebuttal the appellant's counsel noted that the Property Tax Appeal Board shall consider compulsory sales as valid comparable sales pursuant to section 16-183 of the Property Tax Code (35 ILCS 200/16-183). The appellant's counsel noted that the board of review comparables #1 and #3 are not comparable due to their sale dates in 2019 which are remote in time to establish market value as of January 1, 2017 and comparables #2 and #4 are acceptable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains twelve sales submitted by the parties to support their respective positions. The Board gave less weight to the board of review comparable sales #1 and #3 as both sold in 2019, not as proximate in time to the assessment date at issue as other sales in the record.

The Board gave most weight to the appellant's comparable sales and the board of review comparable sales #2 and #4. These properties sold proximate in time to the January 1, 2018

assessment date and are similar to the subject in location, dwelling size, design, age and features. The comparable sales sold from February 2016 to June 2017 for prices ranging from \$12,000 to \$89,900 or from \$10.99 to \$82.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$75,512 or \$69.15 per square foot of living area, including land, which falls within the range established by the best comparable sales. After considering adjustments to the comparables for differences when compared to the subject, the board finds the subject's estimated market value as reflected by the assessment is overvalued. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
