

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Klein
DOCKET NO.: 18-03025.001-R-1
PARCEL NO.: 16-27-201-015

The parties of record before the Property Tax Appeal Board are Michael Klein, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,055
IMPR.: \$14,945
TOTAL: \$55,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,165 square feet of living area. The dwelling was constructed in 1953. Features of the home include a concrete slab foundation, central air conditioning and a 460 square foot garage. The property has a 7,427 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.48 of a mile from the subject property. The comparables have sites that range in size from 7,664 to 15,933 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,005 to 1,303 square feet of living area. The homes were built from 1937 to 1953. Each comparable has a concrete slab foundation. Two comparables

each have central air conditioning and one comparable has a fireplace. Three of the comparables each have a garage ranging in size from 288 to 440 square feet of building area. The comparables sold from August 2016 to May 2018 for prices ranging from \$155,000 to \$180,000 or from \$122.05 to \$169.15 per square foot of living area, land included. Based on this evidence the appellant requested the subject's assessment be reduced to \$45,819.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,660. The subject's assessment reflects a market value of \$180,351 or \$154.81 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within approximately 0.11 of a mile from the subject property. Board of review comparables #1, #2 and #3 are the same properties as the appellant's comparables #4, #2 and #3, respectively. The comparables have sites that range in size from 7,805 to 15,933 square feet of land area and are improved with one-story dwellings of brick or wood siding exterior construction that range in size from 1,005 to 1,303 square feet of living area. The homes were built from 1949 to 1953. Each comparable has a concrete slab foundation and a garage ranging in size from 288 to 440 square feet of building area. Two of the comparables each have central air conditioning and one comparable has a fireplace. The comparables sold from April 2017 to May 2018 for prices ranging from \$160,000 to \$180,000 or from \$138.12 to \$169.15 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains four comparables for the Board's consideration as three of the comparables were common to both parties. The Board gave less weight to the appellant's comparable #1 which sold in August 2016 and is dated and less likely to be indicative of the subject's fair market value as of the January 1, 2018 assessment date.

The Board finds the best evidence of market value to be the remaining three common comparables which are similar to the subject in location, age, design and dwelling size. These most similar comparables sold from April 2017 to May 2018 for prices ranging from \$160,000 to \$180,000 or from \$138.14 to \$169.15 per square foot of living area, including land. Most weight is given to the appellant's comparable #2 due to its similar site and dwelling size when compared to the subject. The subject's assessment reflects a market value of \$180,351 or \$154.81 per square foot of living area, including land, which falls above the range on an overall value basis and within the range on a per square foot basis established by the best comparable

sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
