

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Eisenberg
DOCKET NO.: 18-03045.001-R-1
PARCEL NO.: 16-28-312-039

The parties of record before the Property Tax Appeal Board are Aaron Eisenberg, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,976
IMPR.: \$265,526
TOTAL: \$314,502

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,168 square feet of living area. The dwelling was constructed in 2010. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.85 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction that range in size from 2,639 to 3,690 square feet of living area. The homes were built from 1999 to 2007. Each comparable has a basement, three with finished area, central air conditioning, one fireplace and a garage ranging in size from 437 to 724 square feet of building area. The comparables sold from April 2016 to June 2018 for prices ranging from

\$635,000 to \$1,100,000 or from \$214.37 to \$324.68 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$269,253.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$314,502. The subject's assessment reflects a market value of \$950,732 or \$300.10 per square foot of living area, land included, when using the 2018 three year average median level of assessment for Lake County of 33.08% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within approximately 0.49 of a mile from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #2. The comparables are improved with two-story dwellings of wood siding exterior construction that range in size from 3,060 to 3,690 square feet of living area. The homes were built from 2001 to 2016. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 460 to 724 square feet of building area. The comparables sold from April 2017 to May 2018 for prices ranging from \$856,100 to \$1,025,000 or from \$232.01 to \$323.34 per square foot of living area, land included.

The board of review submitted comments regarding the appellant's comparables asserting that appellant's comparable #1 sold in 2016 and is located on a "major traffic road" and that the appellant's comparables #3 through #6 are located in Highland Park compared to the subject which is located in Deerfield. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the evidence in the record did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparables for the Board's consideration as one comparable was common to both parties. The Board gave less weight to the appellant's comparables #1 and #6 which sold in 2016 and are dated and less likely to be indicative of the subject's fair market value as of the January 1, 2018 assessment date. The Board gave less weight to appellant comparable #2/board of review comparable #2 and appellant comparable #3 due to a dissimilar dwelling size and finished basement when compared to the subject's dwelling size and unfinished basement. The Board gave less weight to appellant comparable #4 due to its difference in age compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #5 along with board of review comparables #1 and #3 which are similar to the subject in location, age, design, dwelling size and features. These comparables sold from March 2017 to May 2018 for prices ranging from \$757,500 to \$1,025,000 or from \$275.35 to \$323.34 per square foot of living area,

including land. The subject's assessment reflects a market value of \$950,732 or \$300.10 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
