

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Osvaldo Olivares
DOCKET NO.: 18-03141.001-R-1
PARCEL NO.: 08-05-404-019

The parties of record before the Property Tax Appeal Board are Osvaldo Olivares, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,542
IMPR.: \$22,502
TOTAL: \$30,044

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 864 square feet of living area. The dwelling was constructed in 1954. Features of the home include a full unfinished basement, central air conditioning and a 720 square foot garage. The property has a 7,009 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located from 1.31 to 3.11 miles from the subject. The comparables are situated on sites ranging in size from 6,321 to 11,464 square feet of land area and are improved with one-story dwellings of wood siding exterior construction that were built from 1950 to 1957. The dwellings range in size from 776 to 884 square feet of living area. The comparables have full unfinished basements and two comparables each have a garage with either 484 or 528 square

feet of building area. The comparables sold from May to September 2018 for prices ranging from \$60,000 to \$84,000 or from \$75.23 to \$95.02 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,044. The subject's assessment reflects an estimated market value of \$90,822 or \$105.12 per square foot of living area, including land, when applying the 2018 three-year average median level of assessment for Lake County of 33.08%.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .435 of a mile from the subject. The comparables are located on sites ranging in size from 6,141 to 7,730 square feet of land area and are improved with one-story dwellings of wood siding exterior construction built in 1954 or 1955. The comparables each have 864 square feet of living area. Features include unfinished basements and garages ranging in size from 396 to 672 square feet of building area. Two comparables have central air conditioning. The comparables sold from March 2017 to August 2018 for prices ranging from \$111,000 to \$128,000 or from \$128.47 to \$148.15 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables due to their distant locations being over 1.3 miles from the subject and/or lack of a garage which is a feature of the subject.

The Board finds the best evidence of market value to be the board of review comparables as they were most similar to the subject in location, dwelling size, design, age and most features. These comparables sold from March 2017 to August 2018 for prices ranging from \$111,000 to \$128,000 or from \$128.47 to \$148.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$90,822 or \$105.12 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for any differences when compared to the subject, the Board finds the subject's estimated market value is well supported. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
