

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa McCaskill
DOCKET NO.: 18-03156.001-R-1
PARCEL NO.: 03-34.0-303-008

The parties of record before the Property Tax Appeal Board are Lisa McCaskill, the appellant; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,928
IMPR.: \$26,383
TOTAL: \$33,311

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame construction with 910 square feet of living area. The dwelling was constructed in 1974. Features of the home include central air conditioning and an attached two-car garage. The property has a 9,037 square foot site and is located in Fairview Heights, Caseyville Township, St. Clair County.

The appellant contends assessment inequity as the basis of the appeal. In support of the assessment inequity argument, the appellant submitted a grid analysis containing three comparable properties to show that the subject property was being inequitably assessed.

Based on this evidence, the appellant requested that the subject's assessment be lowered to \$32,397.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 17-04569.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$32,397 based on the evidence submitted by the parties. The board of review disclosed that tax years 2017 and 2018 are within the same general assessment period. The evidence provided by the board of review further disclosed that a township equalization factor of 1.0282 was applied in 2018.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal, however, the board of review raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2017 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor of 1.0282 was applied in 2018. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of a 1.0282 township equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
