

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Laurence Kienlen  
DOCKET NO.: 18-04186.001-R-1  
PARCEL NO.: 08-04-200-065

The parties of record before the Property Tax Appeal Board are John Laurence Kienlen, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 27,390  
**IMPR.:** \$144,270  
**TOTAL:** \$171,660

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhome of frame, Dryvit and masonry construction that was built in 2002. The dwelling contains 3,020 square feet of living area and is situated on a 2,919 square foot site. Amenities include a partial finished basement, central air conditioning, a fireplace and a 445 square foot garage. The subject property is located in Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three comparable properties with varying degrees of similarity when compared to the subject. The comparables sold from February 2018 to October 2018 for prices ranging from \$485,000 to \$520,000 or from \$159.40 to \$172.19 per square foot of living area including land.

The appellant also submitted the final decision issued by the DuPage County Board of Review for the 2018 tax year. The subject property has a final assessment of \$193,280, which reflects an estimated market value of \$580,769 or \$192.31 per square foot of living area including land when applying the 2018 three-year average median level of assessment for DuPage County of 33.28%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

### **Conclusion of Law**

The taxpayer argued the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted three comparable sales to support the contention that the subject property is overvalued. The Board finds the board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The comparable sales submitted by the appellant have varying degrees of similarity when compared to the subject and sold from February 2018 to October 2018 for prices ranging from \$485,000 to \$520,000 or from \$159.40 to \$172.19. The subject's assessment of \$193,280 reflects an estimated market value of \$580,769 or \$192.31, which falls above the range established by the only comparable sales contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is excessive and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
