

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wesley H. & Cheryl M. Siebrass
DOCKET NO.: 18-04474.001-R-1
PARCEL NO.: 21-24.0-339-008

The parties of record before the Property Tax Appeal Board are Wesley H. & Cheryl M. Siebrass, the appellants, and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,058
IMPR.: \$162,571
TOTAL: \$196,629

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of frame and brick veneer construction containing approximately 3,306 square feet of above ground living area. The dwelling was built in 2002. Features of the home include a full basement that is partially finished, central air conditioning, two fireplaces and an attached three-car garage. The property has a site with approximately 25,000 square feet of land area and is located in Springfield, Captial Township, Sangamon County.

The appellants' appeal is based on overvaluation. In support of this argument the appellants submitted evidence disclosing they entered in a contact to sell the subject property on March 20, 2019 with the closing scheduled for June 3, 2019 for a purchase price of \$550,000. The appellants disclosed the parties to the transaction were not related, the property was sold through a Realtor and the property had been advertised in the Multiple Listing Service (MLS) for approximately 18 months but being off the market during the winter. To document the

transaction the appellants submitted copies of the MLS listing sheets and a copy of the Contract to Purchase for Residential Real Estate. The appellants also submitted a copy of the 2018 Assessment Notice from the Sangamon County Supervisor of Assessments disclosing the subject's assessment increased from \$196,629 to \$199,205 by the application of a board of review township equalization factor of 1.0131. Based on this evidence, the appellants requested the subject's assessment be reduced to \$196,629.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total equalized assessment for the subject of \$199,205. The subject's assessment reflects a market value of \$597,496 when using the 2018 three-year average median level of assessment for Sangamon County of 33.34% as determined by the Illinois Department of Revenue. The board of review reported the appellants did not file a local complaint for 2018. No other evidence was provided by the board of review.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of value was presented by the appellants disclosing the subject property sold in 2019 for a price of \$550,000, which is below the market value reflected by the subject's assessment. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellants appealed the assessment directly to the Property Tax Appeal Board following receipt of the notice of the application of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the

assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported but is limited to the pre-equalized assessment, as requested by the appellants.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
