

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Ricard
DOCKET NO.: 18-04734.001-R-1
PARCEL NO.: 08-30-201-014

The parties of record before the Property Tax Appeal Board are Mark Ricard, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$93,060
IMPR.: \$306,940
TOTAL: \$400,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a three-story dwelling of brick exterior construction that has 8,554 square feet of living area. The dwelling was constructed in 1987. Features of the home include a walk-out basement with finished area, central air conditioning, four fireplaces, an inground swimming pool and an 817 square foot four-car garage. The property has a 22,303 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 18, 2018 for a price of \$1,200,000. The appellant completed Section IV – Recent Sale Data of the appeal petition identifying the seller as Trust #1584 and the parties to the transaction were not related. The appellant also indicated the property was sold by a realtor and was advertised for sale through the Multiple Listing Service (MLS). The appellant also disclosed the subject has been listed on and

off the market since March 2015. To document the sale the appellant submitted copies of the Listing & Property History Report, the settlement statement and MLS sheet.

The appellant also submitted a copy of the final decision of the DuPage County Board of Review establishing a total assessment of \$422,020. The subject's assessment reflects a market value of \$1,268,089 when applying the 2018 three-year average median level of assessments for DuPage County of 33.28% as determined by the Illinois Department of Revenue.

Based on this evidence the appellant requested the subject's assessment be reduced to the sale price.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by letter dated February 18, 2021.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the purchase of the subject property in June 2018 for a price of \$1,200,000. The appellant provided evidence demonstrating the sale had elements of an arm's length transaction. The Board finds the purchase price of \$1,200,000 is below the market value of \$1,268,089 as reflected by the subject's assessment. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40 (a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
