

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Anderson
DOCKET NO.: 18-04777.001-R-1
PARCEL NO.: 06-08-320-013

The parties of record before the Property Tax Appeal Board are David Anderson, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,770
IMPR.: \$39,390
TOTAL: \$59,160

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame construction with 1,408 square feet of living area. The dwelling was constructed in 1948. Features of the home include an unfinished basement and a detached garage containing 315 square feet of building area. The property has a 7,250 square foot site and is located in Lombard, York Township, DuPage County.

The appellant appeared before the Property Tax Appeal Board contending assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted a grid containing information on four equity comparables located within 900 feet of the subject property and each located in a different assessment neighborhood code than the subject property. The comparables have varying degrees of similarity to the subject property. They have improvement assessments ranging from \$29,370 to \$41,010 or from \$25.71 to \$27.97

per square foot of living area. Based on this evidence, the appellant requested a reduction to the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,160. The subject property has an improvement assessment of \$39,390 or \$42.02 per square foot of living area. The Board of Review Notes on Appeal disclose that the 2015 tax year was the first year of the General Assessment Cycle for the subject property which runs through the 2018 tax year. The Board of Review Notes on Appeal also disclose that a township equalization factor of 1.0494 was applied in 2018. In support of its contention of the correct assessment, the board of review submitted six equity comparables with varying degrees of similarity to the subject property. The comparables have improvement assessments ranging from \$61,600 to \$71,170 or from \$41.82 to \$50.55 per square foot of living area.

The Property Tax Appeal Board takes judicial notice that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the 2017 tax year under Docket Number 17-05684.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$56,376 based on the mandates of the Section 16-185 of the Property Tax Code. (35 ILCS 200/16-185)

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2017 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2017 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2017 and 2018 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor of 1.0494 was applied in 2018. For these reasons and pursuant to the mandates of Section 16-185 of the Property Tax Code, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor ($\$56,376 \times 1.0494 = \$59,160$).

As a final point, the Board finds the parties submitted a total of nine equity comparables with varying degrees of similarity to the subject properties. These nine comparables have improvement assessments ranging from \$29,370 to \$71,170 or from \$25.71 to \$50.55 per square foot of living area. The subject's revised improvement assessment based on Section 16-185 of \$39,390 or \$27.98 per square foot of living area falls within the low end of the range established by the best comparables in this record both on an overall improvement assessment basis and on a per square foot basis. Therefore, on this record, the Board finds the subject dwelling is now being equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
