

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: TJJR Properties
DOCKET NO.: 18-04971.001-R-1
PARCEL NO.: 22-04.0-278-004

The parties of record before the Property Tax Appeal Board are TJJR Properties, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,468
IMPR.: \$24,105
TOTAL: \$28,573

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story multi-family building of brick construction containing 2,793 square feet of gross building area. The building was constructed in 1962. Features include four, two-bedroom, one-bathroom, on a crawl space foundation. The property has a 6,000 square foot site and is located in Springfield, Capital Township, Sangamon County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$75,000 as of March 22, 2016. The appraisal was prepared by Michael A. Snow, a certified residential real estate appraiser. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value and the income approach to value.

The appellant also submitted a copy of the 2018 Assessment Notice from the Sangamon County Supervisor of Assessments disclosing the subject's assessment increased from \$28,573 to

\$28,948 by the application of a board of review township equalization factor of 1.0131. Based on this evidence, the appellant requested the subject's assessment be reduced to \$28,573.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total equalized assessment for the subject of \$28,948. The subject's assessment reflects a market value of \$86,827 when using the 2018 three-year average median level of assessment for Sangamon County of 33.34% as determined by the Illinois Department of Revenue. The board of review reported the appellant did not file a local complaint for 2018. No other evidence was provided by the board of review.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of value was the appraisal presented by the appellant estimating the subject property had a market value of \$75,000, which is below the market value reflected by the subject's assessment. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board following receipt of the notice of the application of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment

reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported but is limited to the pre-equalized assessment, as requested by the appellant.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
