

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daxesh Patel
DOCKET NO.: 18-05040.001-R-1
PARCEL NO.: 01-21-408-022

The parties of record before the Property Tax Appeal Board are Daxesh Patel, the appellant, by attorney Ellen G. Berkshire, of Verros Berkshire, PC in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,820
IMPR.: \$116,249
TOTAL: \$153,069

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl exterior construction with 3,946 square feet of living area. The dwelling was constructed in 2007. Features of the home include a full basement with finished area, central air conditioning, and a three-car garage. The property has a 15,074 square foot site and is located in West Chicago, Wayne Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .2 of a mile to 3 miles from the subject. One comparable is located within the same neighborhood as the subject. The comparables have sites ranging in size from 23,423 to 98,055 square feet of land area and are improved with two-story dwellings with varying degrees of similarity to the subject in dwelling size, age, and features. These comparables sold from February to December 2015 for prices

ranging from \$450,000 to \$470,000 or from \$103.27 to \$122.95 per square foot of living area, including land.

The appellant also submitted a copy of the final decision of the board of review disclosing the subject property had a total assessment of \$179,020 reflecting a market value of \$537,921 or \$136.32 per square foot of living area, including land, when using the three-year average median level of assessment for DuPage County of 33.28% as determined by the Illinois Department of Revenue.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. These comparables sold from February to December 2015 for prices ranging from \$450,000 to \$470,000 or from \$103.27 to \$122.95 per square foot of living area, land included. The subject's assessment reflects a market value of \$537,921 or \$136.32 per square foot of living area, which falls above the range established by the only comparables in this record. The Board gave most weight to comparable #2 due to its similar location, age, and land size. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
