

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Amanda Pyzowski  
DOCKET NO.: 18-05081.001-R-1  
PARCEL NO.: 08-22-412-026

The parties of record before the Property Tax Appeal Board are Amanda Pyzowski, the appellant, by attorney Sreeram Natarajan, of Natarajan Worstell LLC in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$61,770  
**IMPR.:** \$103,646  
**TOTAL:** \$165,416

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,126 square feet of living area. The dwelling was 28 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a 441 square foot garage. The property has an 11,771 square foot site and is located in Woodridge, Lisle Township, DuPage County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within .7 of a mile from the subject. The comparables are improved with two-story dwellings of brick and frame exterior construction that range in size from 2,956 to 3,432 square feet of living area. The dwellings are 26 to 29 years old. Each home features an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 420 to 762 square feet of building area. The properties have improvement assessments ranging from \$94,910 to \$114,010 or from \$32.11 to \$33.95 per square foot of living area.

The appellant also submitted a copy of the final decision of the board of review disclosing the subject property had a total assessment of \$197,820. The subject has an improvement assessment of \$136,050 or \$43.52 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$103,646 or \$33.16 per square foot of living area.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property. Thus, the DuPage County Board of Review was found to be in default on February 18, 2021, pursuant to Section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.69(a)).

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These properties have improvement assessments ranging \$94,910 to \$114,010 or from \$32.11 to \$33.95 per square foot of living area. The subject's improvement assessment of \$136,050 or \$43.52 per square foot of living area falls above the range established by the comparables in this limited record. Furthermore, the board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

In conclusion, the Board has examined the evidence submitted by the appellant and finds that a reduction in the subject' improvement assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
